4

What is an Executive Director?

- ❖ In the Indian Housing world, what is heard when this term is used?
 - ❖ “The Housing guy or gal”
 - ❖ “The Housing Expert” for the tribe.

5

What is an Executive Director?

- ❖ Depending on the structure of your housing program, you could be:
 - ❖ Housing Specialist
 - ❖ CEO
 - ❖ Housing Administrator
 - ❖ Director of Housing
 - ❖ Program Manager
- ❖ We will use all of these terms interchangeably for this training and we will talk about the different structures that are out there.

6

What is an Executive Director?

- ❖ We will talk about what an Executive Director should know and the duties that should be carried out.
- ❖ I want to acknowledge that no two tribes do “Indian Housing” the same and that each Executive Director will have different roles and responsibilities as determined by their tribe and that is a good thing in my opinion.
- ❖ But, there is a lot of knowledge that needs to be obtained to be an effective Executive Director.

7

What an Executive Director needs to know:

- ❖ The history of Indian Housing and how we got to where we are.
- ❖ NAHASDA Statute and Regulations and the Indian Housing Block Grant program.
- ❖ What the housing needs are for your tribe.
- ❖ How to oversee an organization that is focused on the housing needs of your tribe.
- ❖ How to get and stay informed on local, state, regional and national Indian Housing issues.

History of Indian Housing

- ❖ Let's take a look at the history of Indian Housing in the US and how we got to where we are today.

10

How It All Began: 1921 to 1960

- ❖ 1921 – Congress Passed Snyder Act, offering four housing programs. No appropriations
- ❖ 1937 – Post Depression New Deal programs, promised to provide “**safe and sanitary**” dwellings for American’s poor.

11

How It All Began: 1937 to 1960

- ❖ 1949- Congress passed another bill that updated the 1937 Housing Act and addressed the post- World War II housing shortage. The bill was expanded to include “**decent home and suitable living environment for all American families.**” Indian Tribes were left out of this initiative.

12

How It All Began: 1937 to 1960

- ❖ 1960- John F. Kennedy visited Pine Ridge during his campaign for President of the United States. After viewing housing conditions, vowed to bring Federal assistance to Native Americans if elected.
- ❖ 1961 After being elected, Kennedy convened his Cabinet and asked how they could provide Federal assistance to Tribes.

13

The 1960s

- ❖ 1961- Two major events impacted Indian Housing:
 - ❖ First, following Kennedy's Solicitor General's opinion, the Public Housing Administration (PHA) recognized tribal governments as municipalities and could establish IHAs via tribal ordinance, or
 - ❖ States could establish IHA's

14

The 1960s

- ❖ 1961: First Indian Housing Authority created on Pine Ridge Reservation in South Dakota.
- ❖ 1964: First Mutual Help (old) concept created: homebuyer contributes land, material, or labor ("sweat equity") toward the purchase of the home.
- ❖ 1964: San Carlos Apache IHA launched the first mutual help project, known as "Old Mutual Help" until 1976 when MH Program revised. (new)

15

The 1970s and '80s

- ❖ In 1971 – The GAO issued Congressional report on Indian housing recommending a national Indian housing policy to simulate agency coordination and accelerate the completion of projects.
- ❖ In 1981 - President Ronald Reagan proposed no funding for the development of new Indian housing units and offered no substitute.

16

The 1980's Federal Initiatives

- ❖ 1984- HUD under Secretary Sam Pierce, formally created the Office of Indian Housing (OIH) with its own staff specifically responsible for overseeing the development and management of Indian housing programs. Still under authority of Regional Administrators.
- ❖ National American Indian Housing Council established offices in Washington DC, began "on the hill" advocacy.
- ❖ 1989 -Indian housing within HUD Office – treated, for the first time, as a separate program.

17

The 1990s: Era of Change

- ❖ Indian housing advocates and supportive members of Congress fight for funds for new Indian housing units.
- ❖ Cranston-Gonzalez National Affordable Housing Act," passed:
 - ❖ Homeownership and Opportunity for People Everywhere (HOPE) program.
 - ❖ HOME Investment Partnerships Act.
- ❖ Created the National Commission on Native American, Alaskan Native and Native Hawaiian Housing. 12 Commissioners. Held hearings across America, in Alaska and Hawaii. How do we better house America's first citizens?

- ❖ Submitting the IHP: How?
 - ❖ An IHP may be submitted to an Area ONAP in one of two ways:
 1. IHPs submitted after May 1, 2018, MUST be submitted using the EPIC (Energy and Performance Information Center) system, unless ...
 2. Internet access is insufficient, and HUD has approved a waiver in which case a PDF fillable form can be used.

87

The IHP & The APR

- ❖ EPIC:
 - ❖ Beginning May 1, 2018, recipients will be required to submit their IHPs (and APRs) using the online EPIC system.
 - ❖ Recipients who lack reliable Internet access can use the Adobe fillable PDF version of the form after obtaining a waiver from the Area ONAP Administrator.
 - ❖ Like eLOCCS, EPIC requires users have an active Secure Systems (aka "M") ID. Each EPIC user will need to obtain their own "M" ID in order to request access to EPIC.
